On Lundi Gras this carnival almost 200 guests will gather at Arnaud's Restaurant on Bienville Street in the French Quarter for Cocktails, lunch, and a marvelous afternoon of frivolity and bonhomie! This tradition began 64 years ago when Bob Demmons gathered a small group of friends at Brennan's Restaurant on Royal Street, Crowned one of them queen, and lead the group on a carriage ride around the Quarter throwing gladioli to the folks on the street. In 1984 Arnaud's Restaurant joined the tradition. Be sure you are part of this wonderful gathering.---
